

# HYGIENE RULES

## for visiting Ost-Passage Theater

Entry is exclusively allowed to people with general well-being and without symptoms like fever, dry cough or missing smell and taste sense.

Individuals tested positive for the SARS-CoV-2-virus are only allowed to enter after being symptom-free for three weeks.

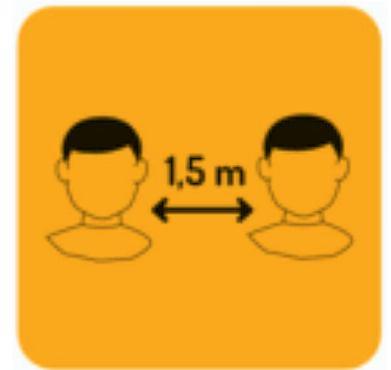

Individuals belonging to a risk group (older than 70 years or pre-existing illness) and their relatives are advised to wear FFP2-masks during the whole visit.

Everyone is obliged to disinfect their hands after entry.

Shaking hands is explicitly avoided.

All individuals in the house are asked to keep a minimum distance of 1.5 meters at all time and to take special consideration on each other.

The cough and sneeze etiquette has to be applied.

While staying in the house all visitors have to wear a mouth-nose covering. Simple masks can be purchased at the ticket office.

It's allowed to take off mouth-nose coverings while seated.

Nach dem HYGIENEKONZEPT – 26.05.2020\_v1.1  
des Ost-Passage Theaters entsprechend der sächsischen  
Corona-Schutz-Verordnung vom 12. Mai 2020

Ost-Passage Theater e.V.  
Konradstraße 27
